MEMORANDUM FOR: Deputy Director/Intelligence

FROM: Assistant Director for Basic Intelligence

SUBJECT: Wider Dissemination of NIS Chapters I
to non-IAC Officials

1. The NIS Committee approved on 26 November 1957 a list of principal officers of the Government who, by reason of their responsibilities relating to foreign policy matters, should be made aware of and have access to NIS Chapters I (Attachment A).

2. I have prepared a sample draft of proposed DCI letters to these officials to which would be attached a Chapter I and an NIS Reference Guide, including latest Production Status report (Attachment B).

3. Before preparing the actual letters to these officials, however, I would appreciate topside comments on the sample draft.
